Dear Barry,

It is with my deepest appreciation that I express my heartfelt thanks for your recent performance at our school. This event could not have been possible without your incredible performance. It has been several weeks since the event and students, staff, and faculty are still raving about the tribute to Martin Luther King, Jr. It was exactly what our college needed to bring awareness to our diverse population and come together for an incredible night.

You created a great environment in which all of the attendees felt comfortable and relaxed during the lecture. Your routine was clean, funny, and spontaneous. I can guarantee that any college you attend, you will be revered as one of the best speakers on the college circuit.

Again, I want to thank you for making the night a huge success. Nearly 120 people walked away from the event smiling and feeling that Treasure Valley Community College was an incredible place to attend. I wish you the best of luck in the future and hope to collaborate on events in the future.

Sincerely,

Lacey Towers
