

Beauty Bites Beast

INTRO: Ellen Snortland is a “renaissance” woman in that she’s done a lot of things: she’s a non-practicing lawyer, writing coach, author, commentator, blogger and filmmaker. She has been on-camera and behind the camera in broadcasting and is now the writer/director of the film you are about to see, Beauty Bites Beast, also the name of her book. Please welcome: Ellen Snortland.
