

Tech Rider for Beauty Bites Beast

TECHNICAL REQUIREMENTS: If any of these requirements cannot be met, we can generally find a work around, however advanced notice is imperative to the success of the show.

1. TECHNICAL DIRECTOR - The Presenter must designate a Technical Director with decision-making authority to be present, responsible to, and accessible for consultation with the Company at all crew calls.

2. FACILITY AND EQUIPMENT - The Presenter must provide the following:

- a) PLAYBACK — Blu-Ray DVD player or laptop designed for film projection with a solid state drive, professional video card and maximum RAM. Film format is either on Blu-Ray DVD or QuickTime .mp4 movie file. DCP is also available.
- b) PROJECTION — A high definition projector with at least 2500 lumens of brightness at 20' or greater, using HDMI connections to either the Blu-Ray or laptop
- c) SCREEN — Minimum of 10' with a minimum of 2x1 reflection ratio; screen should be appropriate size to number of audience members; if over 150 in the audience 20' or larger is recommended
- d) AUDIO — Minimum of 200 watts 2-channel stereo; surround sound is not important

3. DRESSING ROOMS

- a) The Presenter must provide a clean, private dressing room adjacent to the performing area.

The rider must be returned along with the contract as part of the contractual agreement.
